I would like to thank the co-chairs of the conference committee, John Maloney and John Roberts, for their timeless efforts in putting together a first class program including an appearance by the former Mayor of San Francisco.

demonstration of service to the community. Congratulations Allen.

The IMGL fall conference will be held on October 23-25, 2016, in Dublin, Ireland. Co-Chairs of the conference, Joe Kelly and Sean McGuinness, have put together a very strong program which will include panels on eSports, AML in Europe, the United Slots and Asia, Daily Fantasy Sports in the United States and Europe and the Brexit and how it will impact the gambling industry.

The **IMGL Masterclasses** continue to be a popular and sought after presence at gaming conferences throughout the world. Recently, the National Council of Legislators from Gaming States (“NCLGS”) asked the IMGL to create a regulatory panel at its annual conference in Boston, Massachusetts. Thanks to Marc Ellinger and Bob Stocker for putting together an outstanding panel on short notice. As a result, the NCLGS wants the IMGL panel to be part of their conference next year.
