Other various one off conferenes and panel discussions.

10. **Have you participated in any philanthropic or charitable programs relating to gaming and if so, in what capacity?**

On the Commission's behalf, I organize statewide event and awareness campaigns focused on problem and responsible gambling. We are often asked to co-sponsor and speak at educational events. These range from small community events, to state-wide and some times national education endeavors.

11. Describe briefly why you desire to be a member of the IMGL and what contributions do you believe you can make to the association?

I was extremely impressed with the IMGL event that I was able to attend. The level of representation and knowledge from all over the world was quite remarkable. I feel that it is very important to have open dialogue with representatives from jurisdictions all over the world, so that improvements can be made in one's own jurisdiction. As a regulator in this space I feel like I bring a varied perspective from other members and can offer wisdom on navigating the bureaucracy of gaming policy through encouraging open discussion between legislators, regulators, and the industry.

12. Please provide any other information you wish to share with IMGL in connection with the consideration of your application.

I feel very strongly that open communication with the industry is the only way balanced policy can occur. As a regulator I strive to be accessible and transparent with the industry to ensure fair rules that will benefit the public as well as the industry.
